ABOUT THE SHOW

DioSnake is a tribute band celebrating the music of two legendary voices of rock, Ronnie James Dio and David Coverdale of Whitesnake, led by professional vocalist Mike Tirelli and an exceptional group of musicians.

Mike is known for his powerful voice and remarkable ability to capture the distinctive sound and spirit of Ronnie James Dio. His videos performing "Neon Knights," "Children of the Sea," and "Holy Diver" have gone viral.

Mike also tours extensively throughout Europe with his original band, Holy Mother, performing at major metal festivals including Wacken Open Air and Alcatraz Open Air, and has completed three successful tours with legendary metal queen Doro Pesch.
